This morning you will discover a **local farm** where you will be greeted by a person from the farm and share his passion. You will get to know the life of the local rural world, the trades of the farm and its human and economic activities.

This farm has three main productions transformed on the spot for direct sale: cereals for dry pasta, Salers beef... and, very unusual, myocastor whose flesh is transformed into pâté, rillettes, and a whole range of ready-made dishes. Before leaving the farm, you will have the pleasure of **tasting some of their products**.

Return to Reims in the late morning. You will have time to get your own lunch in the city centre.

In the afternoon, **discover the city centre of Reims with an English speaking-guide**. Touring the sites of Reims on the UNESCO list of World Heritage Sites will enable you to discover treasures of inestimable value, symbols of the central place of Reims in History.

In the late afternoon, enjoy a champagne tasting in a prestigious **Maison de Champagne!**

Breakfast at your hotel.

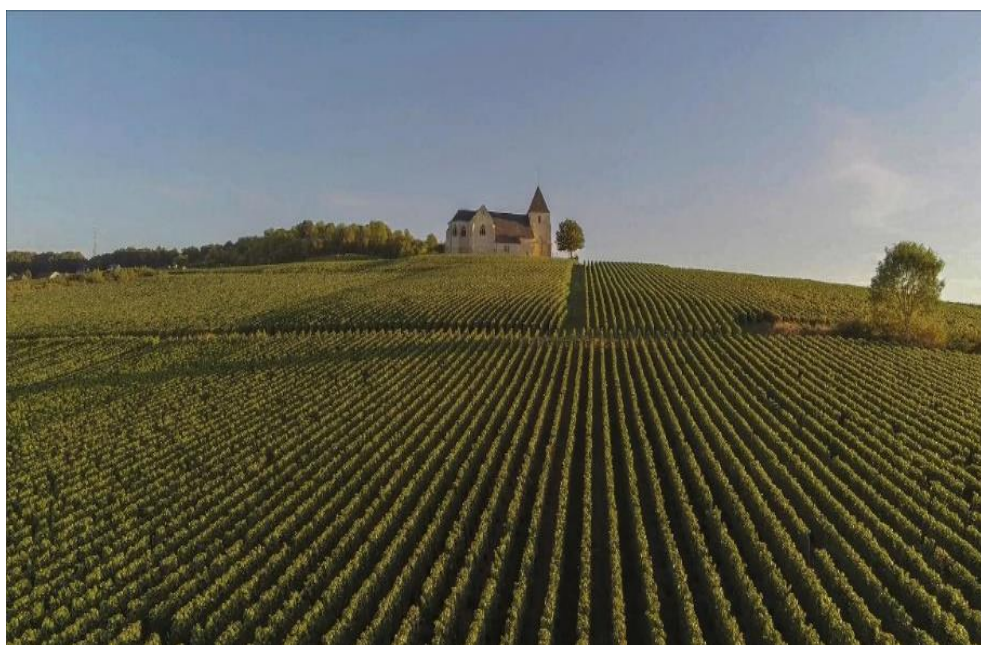

This morning head to the Champagne vineyards.

In the village on Chamery, get on board the “**little train of the Champagne vineyards**”. During this guided tour (available in English), you will discover the work of the vineyard and the know-how of the winegrowers.

You will be dropped off at the winemaker - **Champagne Pascal Lallement** - for a visit of the cellars and a tasting of the Brut 1er Cru.

As a follow-up to the stroll in the vineyard and the visit of the cellar, you will enjoy a **lunch in the cellar room**, with service in traditional Champagne costume!

Return to Reims in the afternoon. Rest of the day is at leisure for your own visits and activities.

Breakfast at your hotel before checking out.

Board your coach charter leaving for Burgundy.

This morning you will visit a **second farm** near Troyes.

This second farm is a family-run dairy farm. On 120 hectares, the farmers raise 70 dairy cows and 80 heifers for the renewal of the herd. Since 2016, they have been selling their products directly processed on the farm. To the delight of visitors and consumers, the farm controls all stages of production: from feeding the cows (meadows, cereals, corn silage, hay...) to the processed products, including milking the cows. **You will have the opportunity to watch the cheese being made** (as they do every Thursday morning) and of course you will **taste some of their products** at the end of your visit.

Transfer to **Dijon** and visit the town, famous for its mustard and the Palace of the Dukes of Burgundy.

Arrival in **Macon** in the evening where you will stay for the next two nights on a bed and breakfast basis.

FRIDAY

15 SEPTEMBER **MACON**

B

Breakfast at the hotel.

This morning you will enjoy a **gourmet tour of Mâcon with an English-speaking guide**. You will get to taste local specialties including “croissant”, “pâté en croute” (meat pie), “gaufrette” (wafer) and some local wines. The group will be divided into two.

Time will be given for you to enjoy lunch at your leisure.

After lunch you will spend the afternoon visiting a **third farm**.

Today, you will discover another very original farm. This farm is both a deer farm and a bee farm. During the visit, the farmer will tell you about his two productions. He will talk about subjects as diverse as the making of honey and beeswax candles, the feeding of the animals, the raw materials used on the farm... You will also take a walk in the deer park. Here, too, you can enjoy a tasting before leaving!

Breakfast at your hotel before checking out.

This morning you will leave Macon and before heading for Lyon, discover the **Domaine des Saveurs**, an emblematic cultural site of the region, located in a former agricultural property of more than 40 hectares, with a farm classified as a historic monument.

Arrival in Lyon, in the afternoon where you will stay for the next four nights on a bed and breakfast basis.

As the home of the infamous Little Prince and his creator, Antoine de St. Exupéry, there's a touch of magic in the air in Lyon. Perhaps you'll find it when you walk into one of the world gastronomy capital's numerous restaurants, or when you're exploring the ancient Gaul capital's jaw-dropping Gallo-Roman Ancient Theatre of Fourvière. Maybe it'll be when you're taking in the views of the city from the Fourvière basilica viewpoint or the nearby Parc des Hauteurs, or when you're exploring the French Resistance Museum and the passageways they used to send secret messages. Lyon *will* charm you.

Breakfast at your hotel.

Today you will head off to the region of Saint Etienne to visit a **fourth farm**

This one is a **modern and innovative milk farm** focused on organic farming and renewable energies. Photovoltaic energy is used, for example, to dry the hay. During the visit, the farmer will explain his production methods and the operation of his milking robots.

You will enjoy **lunch on site**.

In the afternoon transfer to Stade Geoffroy Guichard for your third Rugby World Cup fixture of the tour: Australia vs Fiji.

After the match, transfer back to your hotel by coach.

Breakfast at your hotel.

This morning you will enjoy a **walking guided tour in old Lyon**. The esplanade of Fourvière offers a magnificent uninterrupted view of Lyon. The basilica of Notre Dame, built at the end of the 19th century, is a real eye-catcher. Your walk then takes you down towards Old Lyon, either through the Rosaire gardens or via the Roman theatres. Do not forget that Lugdunum was founded on the hill of Fourvière in 43 BC. At the bottom of the hill, the Renaissance town stretches out along the banks of the river Saone. Walk through a few of the narrow streets and the squares and delve into the "traboules" to discover hidden courtyards, galleries and wells...

A group **lunch will be served in Lyon at "Bouchon Lyonnais"** (3 course menu drinks not included).

In the afternoon, you will leave the bustle of the city center and will be greeted by a **farmer who will open the doors of his farm**.

Today you will visit a family farm which has diversified over the years around the following activities: sheep and poultry breeding, cultivation, eco-pasturing and transhumance, reception of the public and direct sales of products. Chickens, ducks, geese, guinea fowl, turkeys and lambs are raised. The farm grows cereals (wheat, barley and triticale), which are mainly used to feed the poultry and sheep, but also a few vines and cherry trees. **A tasting will conclude the visit**.

After visiting the farm, you may wish to visit the **wine cooperative** where local farmers sell their produce, and which now has 350 winegrowers in the heart of the Beaujolais vineyard.

Breakfast at your hotel.

This morning you will visit a **sixth farm** in the region of Lyon.

The farm that you visit today is a cattle farm in the Monts du Lyonnais in search of a balanced production method: soil-plant-animal-man. The herd of Aubrac cows graze most of the year. The organic fodder is produced on the farm, respecting the life of the soil and the surrounding hedges. From the farm to the consumer, all the beef is processed on the farm and delivered directly to the consumer. Its traceability guaranteed!

After the visit you will share a **convivial time around a farm burger** made with meat from the farm.

You then return to Lyon. This afternoon **visit Paul Bocuse Covered Market ("Halles Bocuse") with an English-speaking guide**. After learning a little about Lyon gastronomy, go for a stroll through the alleyways of the covered market and discover all the products that make the world capital of gastronomy so famous. A festival of colour, sound, aroma and taste in a very special atmosphere. A **tasting session of regional products** will close the visit.

Breakfast at your hotel before checkout.

Today you will depart for the south of France and the Var region.

On the way you will stop in Avignon to enjoy a lunch on your own and have time to stroll in the city.

Arrive in Toulon where you will stay for the next three nights on a bed and breakfast basis.

Breakfast at your hotel.

Morning at leisure in Toulon.

13.00 After lunch, transfer by coach to Marseille.

En route you will stop in Cassis to enjoy a **boat tour in the Calanques**.

17.00 Continue to Marseille where you will discover the town and enjoy the build-up for tonight's Rugby World Cup Fixture

In the evening transfer to Stade Velodrome for tonight's fixture.

Kick off 21:00 RWC 2023: France v Africa 1, Marseille, Stade Velodrome

After the match you will return to Toulon.

Breakfast at your hotel.

Today you are going on the Provence wine route. Famous all over the world, especially for their rosé wine. Amidst pines, olive trees, lavender fields and sometimes, just a few meters from the Mediterranean, the region's vineyards have a good life. **Explore two different vineyards with wine tasting.**

The first estate covers twenty-one hectares of vines, which are managed with a genuine respect for the ecosystem, the fauna and the flora. The vineyard is inspired by the fundamental principles of biodynamics. These approaches and the deep convictions of the winegrowers naturally give rise to generous wines, with a beautiful minerality worthy of the greatest terroirs.

A buffet group lunch has been organized at the vineyard (*wines of the estate are included*).

In the afternoon, visit a **second wine estate**.

During a stroll through the heart of the estate, you will discover the secret of Bandol wines, the barrel room and the wine-making facilities, from the grape harvest reception cellar to the ageing cellar. Your tour will end in the cellar with a tasting of Bandol appellation wines.

Breakfast at your hotel before checkout.

Today, take the road back to Lyon.

Stop en route in the late morning in Montélimar for a visit of a **nougat factory and its museum**. Discover the nougat's history and its preparation from within the oldest nougat factory of Montélimar... and taste it!

After lunch (at your own cost) carry on to Lyon.

Before arriving enjoy a friendly moment around a **cocktail in a local rugby club**.

Arrival in Lyon where you will stay for the next 2 nights on a bed and breakfast basis.

Changed or cancelled bookings for any reason (including by reason of matters outside your or our control) may also incur third party supplier fees, which can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Where you seek a refund for a changed or cancelled booking for which payment has been made to the third party supplier, Gullivers will not provide a refund to you until Gullivers receive the funds from that third party supplier (which may take 3-6 months, or longer, dependent upon the supplier processing time). In the event Gullivers are still holding the funds, Gullivers can only provide you with a refund once Gullivers are authorised by the third party supplier to process your refund, subject to that third party supplier's change or cancellation policy.

Cancellations due to Covid-19 affected travel plans

Where a cancellation of tour plans occurs due to COVID-19 restrictions imposed by the Australian Government, or in the case of international travel where any foreign government imposed restriction on travel to, from and within a country that you are travelling to, from or within, or by a third party supplier the payment of a refund will be contingent on the recovery of funds from a third party supplier i.e. airline, accommodation, transport provider, tour service provider. Gullivers will take active steps to seek to recover funds from suppliers to pass on to the consumer. In addition, Gullivers reserve the right to charge a cancellation fee for administration and other expenses incurred at a cost of no less than \$100.00 per person. As an alternative to cancellation, Gullivers will discuss postponement of travel plans if the consumer wishes to pursue a credit. Where a third party supplier is willing to provide a credit, Gullivers will negotiate for the best possible outcome of credit for any funds held by a third party supplier for future use. Gullivers is not responsible for the loss or expiry of a credit or unused credit.

Documentation: Australian citizens require a passport with minimum 6 months validity from date of departure from final destination, and a current vaccination record or report in accord with the current government or third party supplier conditions. For international travel booking, Gullivers will assume that all travellers on the booking have a valid Australian passport which is valid for the relevant destination and transit point. If this is not the case, you must let us know. Other passport holders may require additional documentation. It is important that you ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility (except to the extent caused by fault on our part). Gullivers can provide you with general information only on visa and passport requirements that apply to international travel bookings you make with us. Please check your applicable requirements with our Travel Consultant. A copy of each person's passport is required.

Country Pre-entry clearance: You should ask your travel consultant if your country of destination requires you to submit an online pre- entry form prior to your arrival. For example: US and Canadian ESTA or a COVID Declaration to re-enter Australia. Travel documents include (without limitation) airline tickets, hotel vouchers, tour vouchers or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a third-party supplier. Travel documents may be subject to certain conditions and/or restrictions including (without limitation) being non-refundable, non-date-changeable, and/or subject to cancellation and/or other change fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. Your name on your passport, visa and other travel documents must all be identical. An incorrect name on a booking may result in an inability to use that booking, the booking being cancelled, and the application of additional change and/or cancellation fees. Please review your travel documentation carefully and advise us immediately of any errors in names, dates or timings. As a general rule your travel documents will be available for collection 2 weeks prior to your departure date, however this will depend on your individual arrangements. Please contact Gullivers to confirm when your travel documents will be ready for collection.

Baggage: Standard baggage allowance, one piece weighing maximum 20 kg plus 1 cabin bag (piece) of 115cm with a maximum weight of 5kg per person (Please note these restrictions vary between airlines & depends on your destination. Please check with your tour consultant for applicable allowances for your plans). Luggage in excess of these limits will be charged for at the appropriate excess baggage rates. Excess baggage (if your airline allows it) can be expensive and is your responsibility. Gullivers will not be liable for any expenses, fees, penalties, costs, liabilities, damages or losses associated with baggage allowances and excess baggage. Baggage is the responsibility of the passenger at all times (Travel Insurance is strongly recommended).

Insurance Protection: "Highly recommended and available from Gullivers Sport Travel". Gullivers strongly recommend you have Comprehensive Travel Insurance to cover all your travel arrangements and encourage travellers to have a policy in place as soon as they make a payment towards their trip plans. This is the sole responsibility of the traveller. Your insurance protection should at least include cover for cancellation, medical and repatriation expenses, personal injury and accident, death and loss of personal baggage and money and personal liability insurance. Evidence of such insurances should be produced to Gullivers on request. If you choose

to be covered for Travel Insurance with an alternative provider such as a credit card company, Gullivers recommend that you thoroughly check the policy wording for levels of coverage. Insurance cover offered by credit card companies or reciprocal medical cover agreements are often not comprehensive. Travel insurance is strongly recommended by the Department of Foreign Affairs and Trade for all overseas travel. Please ensure you are given a policy number and your policy includes adequate hospital cover, 24hr emergency contact and assistance during your holiday. Make sure you read the PDS before you decide to buy your travel insurance.

Airline & Airport Taxes, Surcharges & Levies: Are not included in the tour cost as they are continually changing. Any of these charges imposed by the airline will be notified to you at the time of final payment 2 months prior to departure.

Frequent flyer/mileage accrual: Some group airfares are not eligible to accrue frequent flyer points (due to discounted group airfares). Please advise your travel consultant if you are a member of the airlines associated frequent flyer program to see if your fare is eligible for frequent flyer point accrual.

Hotel quarantine (and additional travel costs associated with quarantine both here and abroad). The cost of which is the sole responsibility of the tourist and Not Gullivers.

Travel Advisories: Gullivers strongly suggest that you consult the Department of Foreign Affairs (DFAT) website and register (either group or individual) so that you are kept up to date with any travel warnings or advisories that may be in place for your destinations (www.dfat.gov.au). You should also advise DFAT of your travel details such as date of departure and itinerary.

Travel and Immunisations: It is essential that all tour participants discuss their personal travel plans with a health professional to ensure you have the correct vaccinations for your trip and any booster doses of childhood vaccinations you may need.

Upon re-entry into Australia, Customs & Immigration will request a copy of your vaccination certificate if you have visited areas that have current health risks or hazardous diseases.
