Your name on your passport, visa and other travel documents must all be identical. An incorrect name on a booking may result in an inability to use that booking, the booking being cancelled, and the application of additional change and/or cancellation fees. Please review your travel documentation carefully and advise us immediately of any errors in names, dates or timings. As a general rule your travel documents will be available for collection 2 weeks prior to your departure date, however this will depend on your individual arrangements. Please contact Gullivers to confirm when your travel documents will be ready for collection.

Baggage: Standard baggage allowance, one piece weighing maximum 20 kg plus 1 cabin bag (piece) of 115cm with a maximum weight of 5kg per person (Please note these restrictions vary between airlines & depends on your destination. Please check with your tour consultant for applicable allowances for your plans). Luggage in excess of these limits will be charged for at the appropriate excess baggage rates. Excess baggage (if your airline allows it) can be expensive and is your responsibility. Gullivers will not be liable for any expenses, fees, penalties, costs, liabilities, damages or losses associated with baggage allowances and excess baggage. Baggage is the responsibility of the passenger at all times (Travel Insurance is strongly recommended).

Insurance Protection: “Highly recommended and available from Gullivers Sport Travel”. Gullivers strongly recommend you have Comprehensive Travel Insurance to cover all your travel arrangements and encourage travellers to have a policy in place as soon as they make a payment towards their trip plans. This is the sole responsibility of the traveller. Your insurance protection should at least include cover for cancellation, medical and repatriation expenses, personal injury and accident, death and loss of personal baggage and money and personal liability insurance. Evidence of such insurances should be produced to Gullivers on request. If you choose to be covered for Travel Insurance with an alternative provider such as a credit card company, Gullivers recommend that you thoroughly check the policy wording for levels of coverage. Insurance cover offered by credit card companies or reciprocal medical cover agreements are often not comprehensive. Travel insurance is strongly recommended by the Department of Foreign Affairs and Trade for all overseas travel. Please ensure you are given a policy number and your policy includes adequate hospital cover, 24hr emergency contact and assistance during your holiday. Make sure you read the PDS before you decide to buy your travel insurance.

Airline & Airport Taxes, Surcharges & Levies: Are not included in the tour cost as they are continually changing. Any of these charges imposed by the airline will be notified to you at the time of final payment 2 months prior to departure.

Frequent flyer/mileage accrual: Some group airfares are not eligible to accrue frequent flyer points (due to discounted group airfares). Please advise your travel consultant if you are a member of the airlines associated frequent flyer program to see if your fare is eligible for frequent flyer point accrual.

Hotel quarantine (and additional travel costs associated with quarantine both here and abroad). The cost of which is the sole responsibility of the tourist and Not Gullivers.

Travel Advisories: Gullivers strongly suggest that you consult the Department of Foreign Affairs (DFAT) website and register (either group or individual) so that you are kept up to date with any travel warnings or advisories that may be in place for your destinations (www.dfat.gov.au). You should also advise DFAT of your travel details such as date of departure and itinerary.

Travel and Immunisations: It is essential that all tour participants discuss their personal travel plans with a health professional to ensure you have the correct vaccinations for your trip and any booster doses of childhood vaccinations you may need.

Upon re-entry into Australia, Customs & Immigration will request a copy of your vaccination certificate if you have visited areas that have current health risks or hazardous diseases.
