You will be met at the airport by your English-speaking professional tour manager who will accompany you for the duration of the tour.

Transfer to your four-star centrally located Lyon hotel where you will stay for the next four nights on a bed and breakfast basis.

Commanding a strategic spot at the confluence of the Rhône and the Saône Rivers, Lyon has been luring people ever since the Romans named it Lugdunum in 43 BC. Outstanding museums, a dynamic cultural life, a thriving university and fantastic shopping lend the city a distinctly sophisticated air, while adventurous gourmets can indulge in their wildest gastronomic fantasies.

This evening, enjoy a **welcome drink & canapés** with your touring party at the hotel.

Today is at your leisure to explore Lyon.

On your days of leisure, your local tour manager will be on hand for any information you require or to offer sightseeing suggestions.

Breakfast at your hotel.

Today there will be a half day walking tour in Old Town Lyon, a cobblestoned crossroads between tourist hotspot and local hangout! Old Lyon has UNESCO status and lots of bars where locals hang out, along with plenty of shops and art galleries. As you wander the neighbourhood, you will see Lyon's famous one-of-a-kind Traboules: passageways that were used by both city-dwellers over 1,500 years ago and the French Resistance during World War II, and many in between.

You will then ascend by funicular to the Fourvière Basilica. The **Basilica Notre-Dame of Fourvière** is the work of the architects Pierre Bossan and Sainte-Marie Perrin. It was built thanks to a public subscription in 1872. The basilica is at the top of "the hill which prays" and is dedicated to the Virgin Mary.

Conclude your morning with a cruise down the Rhône River.

Lyon is renowned for being one of the gastronomic capitals of the world. Immerse yourself in the flavours and enjoy **dinner in a bouchon**, a restaurant that is native to Lyon.

For 70-odd years of the early 1300s, the Provençal town of Avignon was the centre of the Roman Catholic world, and though its stint as the seat of papal power only lasted a few decades, it has been left with an impressive legacy of ecclesiastical architecture, most notably the soaring, World Heritage-listed fortress-cum-palace known as the Palais des Papes.

PARIS / CAEN

B

Breakfast at your hotel.

Today you will depart Paris by coach travelling to **Rouen**.

Rouen is home to a collection of impressive **Gothic cathedrals**. Enjoy a guided walking tour exploring the town.

Continue on to **Côte Fleurie** (Flowery Coast) where you will have time at leisure to explore Honfleur and Deauville.

In **Honfleur**, rock the port vibe and take in many of the picturesque scenes that inspired the impressionist painters.

This afternoon continue by coach to **Caen**. Upon arrival check into your centrally located hotel where you will stay for the next three nights on a bed and breakfast basis.

With its superb collection of restaurants, atmospheric streets and manageable size, Caen is a terrific place to explore. The easy-going city is also a launchpad to the nearby D-Day sights spread out along the coast. Founded by William the Conqueror in the 11th century, Caen – capital of the Basse Normandie region – was massively damaged during the 1944 Battle of Normandy, but considerable history and heritage survives to make it a very good-looking city.

Breakfast at your hotel.

Today there will be a full day tour visiting the **Mémorial de Caen Museum** and the **D-Day landing beaches**, Omaha Beach and Pointe du Hoc.

These sites are an incredible opportunity to see first-hand the sites that played a key role in ending World War II. You will learn about the events of D-Day as well as how they fit into a larger historical context, the details of the arrival of the Allied troops, the sacrifices made by the Norman people and much more.

Breakfast at your hotel.

Today there will be a full day coach tour to **Bayeux** and the very famous **Mont Saint-Michel**.

Start the morning visiting the **Bayeux Tapestry**.

It has spent seven centuries in the Treasury of Bayeux cathedral and was then moved to a number of different locations in the city and throughout France before ending its journey in the former Seminary of Bayeux, where it has been on display since 1983. Since then, it has continued to be a never-ending source of inspiration for scientists and artists all over the world.

Continue onto **Mont Saint-Michel**, one of the most visited places in France. During your visit you can admire the atypical geography, depending on the tide Mont Saint-Michel alternates between island and mainland. You will also visit the **abbey**, a splendid example of medieval architecture in the area perched atop the mount that gives you spectacular views of the bays that surround the mount.

This afternoon return to Caen where the remainder of the evening is at your leisure.

Breakfast at your hotel.

Today you will travel by coach to the Loire Valley.

Visit the famous castle of **Chenonceau**. An architectural masterpiece, property of the Crown and then a royal residence, **Château de Chenonceau** is a truly exceptional site by its original design, but also its history. Loved, managed and protected by women, including Diane of Poitiers and Catherine de Medicis, it is also known as the '**Château des Dames**'. The feminine touch is everywhere; it has protected the Château from the ravages of war and made it a peaceful place.

Today there will be lunch at **L'Orangerie**, a gourmet restaurant at Château de Chenonceau.

Continue onto Tours to check into your centrally located hotel. Here you will stay overnight on a bed and breakfast basis.

Tours stands on the lower reaches of the Loire River. A former Caesarodunum city of the Turones, it possesses one of the largest amphitheatres of the Roman Empire.

Amendment Fee: Any person wishing to deviate from the group tour arrangements will be charged a standard \$100.00 per person amendment fee plus any additional charges involved with the amendment (i.e. increase in airfare, additional transfers, accommodation etc). All bookings are made on your behalf subject to the terms and conditions imposed by the third party supplier. If, for example, a third party supplier's terms and conditions contain a "no refund policy", Gullivers will only be able to provide you with the remedy provided by the third party supplier (if any), which may include a travel credit supplied by the third party supplier. Changed or cancelled bookings for any reason (including by reason of matters outside your or our control) may also incur third party supplier fees, which can be up to 100% of the cost of the booking, regardless of whether travel has commenced. Third party supplier fees may also apply where a booking is changed for any reason and when tickets or documents are re-issued. Where Gullivers incur any liability for a third party supplier change or cancellation fee for any booking which is changed or cancelled for any reason, you agree to indemnify us for the amount of that fee. Where you seek a refund for a changed or cancelled booking for which payment has been made to the third party supplier, Gullivers will not provide a refund to you until Gullivers receive the funds from that third party supplier (which may take 3-6 months, or longer, dependent upon the supplier processing time). In the event Gullivers are still holding the funds, Gullivers can only provide you with a refund once Gullivers are authorised by the third party supplier to process your refund, subject to that third party supplier's change or cancellation policy.

Cancellations due to Covid-19 affected travel plans

Where a cancellation of tour plans occurs due to COVID-19 restrictions imposed by the Australian Government, or in the case of international travel where any foreign government imposed restriction on travel to, from and within a country that you are travelling to, from or within, or by a third party supplier the payment of a refund will be contingent on the recovery of funds from a third party supplier i.e. airline, accommodation, transport provider, tour service provider. Gullivers will take active steps to seek to recover funds from suppliers to pass on to the consumer. In addition, Gullivers reserve the right to charge a cancellation fee for administration and other expenses incurred at a cost of no less than \$100.00 per person. As an alternative to cancellation, Gullivers will discuss postponement of travel plans if the consumer wishes to pursue a credit. Where a third party supplier is willing to provide a credit, Gullivers will negotiate for the best possible outcome of credit for any funds held by a third party supplier for future use. Gullivers is not responsible for the loss or expiry of a credit or unused credit.

Documentation: Australian citizens require a passport with minimum 6 months validity from date of departure from final destination, and a current vaccination record or report in accord with the current government or third party supplier conditions. For international travel booking, Gullivers will assume that all travellers on the booking have a valid Australian passport which is valid for the relevant destination and transit point. If this is not the case, you must let us know. Other passport holders may require additional documentation. It is important that you ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility (except to the extent caused by fault on our part). Gullivers can provide you with general information only on visa and passport requirements that apply to international travel bookings you make with us. Please check your applicable requirements with our Travel Consultant. A copy of each person's passport is required.

Country Pre-entry clearance: You should ask your travel consultant if your country of destination requires you to submit an online pre-entry form prior to your arrival. For example: US and Canadian ESTA or a COVID Declaration to re-enter Australia.

Travel documents include (without limitation) airline tickets, hotel vouchers, tour vouchers or any other document (whether in electronic form or otherwise) used to confirm an arrangement with a third-party supplier. Travel documents may be subject to certain conditions and/or restrictions including (without limitation) being non-refundable, non-date-changeable, and/or subject to cancellation and/or other change fees. Travel documents cannot be transferred to another person to use. All airline tickets must be issued in the name of the passport/photo identity holder. Your name on your passport, visa and other travel documents must all be identical. An incorrect name on a booking may result in an inability to use that booking, the booking being cancelled, and the application of additional change and/or cancellation fees. Please review your travel documentation carefully and advise us immediately of any errors in names, dates or timings. As a general rule your travel documents will be available for collection 2 weeks prior to your departure date, however this will depend on your individual arrangements. Please contact Gullivers to confirm when your travel documents will be ready for collection.

Baggage: Standard baggage allowance, one piece weighing maximum 20 kg plus 1 cabin bag (piece) of 115cm with a maximum weight of 5kg per person (Please note these restrictions vary between airlines & depends on your destination. Please check with your tour consultant for applicable allowances for your plans). Luggage in excess of these limits will be charged for at the appropriate excess baggage rates. Excess baggage (if your airline allows it) can be expensive and is your responsibility. Gullivers will not be liable for any expenses, fees, penalties, costs, liabilities, damages or losses associated with baggage allowances and excess baggage. Baggage is the responsibility of the passenger at all times (Travel Insurance is strongly recommended).

Insurance Protection: "Highly recommended and available from Gullivers Sport Travel". Gullivers strongly recommend you have Comprehensive Travel Insurance to cover all your travel arrangements and encourage travellers to have a policy in place as soon as they make a payment towards their trip plans. This is the sole responsibility of the traveller. Your insurance protection should at least include cover for cancellation, medical and repatriation expenses, personal injury and accident, death and loss of personal baggage and money and personal liability insurance. Evidence of such insurances should be produced to Gullivers on request. If you choose

to be covered for Travel Insurance with an alternative provider such as a credit card company, Gullivers recommend that you thoroughly check the policy wording for levels of coverage. Insurance cover offered by credit card companies or reciprocal medical cover agreements are often not comprehensive. Travel insurance is strongly recommended by the Department of Foreign Affairs and Trade for all overseas travel. Please ensure you are given a policy number and your policy includes adequate hospital cover, 24hr emergency contact and assistance during your holiday. Make sure you read the PDS before you decide to buy your travel insurance.

Airline & Airport Taxes, Surcharges & Levies: Are not included in the tour cost as they are continually changing. Any of these charges imposed by the airline will be notified to you at the time of final payment 2 months prior to departure.

Frequent flyer/mileage accrual: Some group airfares are not eligible to accrue frequent flyer points (due to discounted group airfares). Please advise your travel consultant if you are a member of the airlines associated frequent flyer program to see if your fare is eligible for frequent flyer point accrual.

Hotel quarantine (and additional travel costs associated with quarantine both here and abroad). The cost of which is the sole responsibility of the tourist and Not Gullivers.

Travel Advisories: Gullivers strongly suggest that you consult the Department of Foreign Affairs (DFAT) website and register (either group or individual) so that you are kept up to date with any travel warnings or advisories that may be in place for your destinations (www.dfat.gov.au). You should also advise DFAT of your travel details such as date of departure and itinerary.

Travel and Immunisations: It is essential that all tour participants discuss their personal travel plans with a health professional to ensure you have the correct vaccinations for your trip and any booster doses of childhood vaccinations you may need. Upon re-entry into Australia, Customs & Immigration will request a copy of your vaccination certificate if you have visited areas that have current health risks or hazardous diseases.
